

## CLB 427 : Internship

A student in the Criminal Justice, Law and Behavioral Science major will participate in a professionally supervised work experience (a minimum of 120 hours for 3 credits). The internship will be relevant to the student's specialization and career interests in the Criminal Justice, Law and Behavioral Science program. The site location will be decided upon by the faculty supervisor, the student, and the site supervisor. Internship course assignments will integrate the disciplines of criminal justice, law, and behavioral sciences.
