

HUM 341 : Hum Applied: Exper Learning

Experiential learning provides opportunities for students to apply their cumulative academic knowledge and skills in humanities to the world of work, while receiving structure and guidance from both academic and worksite supervisors. The student seeks out a particular learning experience through an internship or community service project then with the help of the academic supervisor and a Career Services advisor, sets goals and makes arrangements for the semester's work. All internship and service projects must receive prior approval from the Humanities supervisor. The student will keep a daily journal of experiences, complete all written work assigned by the academic supervisor, complete 100 clock hours of on-site work or externally supervised week, and make written and oral presentations at the end of the learning experience. The student will meet with the class/ academic supervisor on a regular basis to discuss plans, problems, and progress. During the term the student will design a resume and an electronic portfolio.
