

NSG 331 : Contemporary Professional Nursing Practice

This course is an overview of nursing role development, professional values and the hallmarks of professional practice environments that are based on nursing knowledge, clinical quality care and evidenced based decision making. Students use critical thinking and theoretical knowledge to further develop cognitive and communication skills in nursing theory, research, leadership, advocacy, and accountability. The ANA Standards of Clinical Nursing Practice and AACN/AONE reports serve as benchmarks for professional practice.
