

# International Baccalaureate (IB)

Russell Sage College welcomes students who have participated in an International Baccalaureate program. Students who have completed IB coursework not represented below should consult the Dean of the College. An official sealed completion certificate with IB exam scores is required.

| <b>Subject</b>      | <b>Score Course Equivalent</b>         | <b>Cr.</b> |
|---------------------|--|------------|
| Biology             | HL 5 BIO 101/101L                      | 4          |
|                     | HL 7 BIO 101/BIO 102 + labs            | 8          |
| Business/Management | HL 5 BUS 205                           | 3          |
| Chemistry*          | HL 5 CHM 103 <b>or</b> 111             | 4          |
|                     | HL 7 CHM 111 & CHM 112                 | 8          |
| Economics           | HL 5 ECO 201 and 202                   | 6          |
| English             | HL 5 WRT 101                           | 3          |
|                     | HL 7 WRT 101 & WRT 201                 | 6          |
| Environ Syst & Soc  | HL 5 BIO 110                           | 3          |
| French              | HL 5 FRE 101 & 102                     | 6          |
|                     | HL 7 FRE 201 & 202                     | 6          |
| History             | HL 5 HST Elective                      | 3          |
| Math                | SL 5 QR-Gen educ req - <i>Waived</i> 0 |            |
|                     | HL 5 MAT 113                           | 3          |
| Psychology          | HL 7 PSY Elective                      | 3          |
| Spanish             | HL 5 SPA 101 and 102                   | 6          |
|                     | HL 7 SPA 201 and 202                   | 6          |
| Theory of Knowledge | HL 5 PHL Elective                      | 3          |
| Visual Arts         | HL 5 VPA Elective                      | 3          |

\*The Chemistry Department will evaluate each case for appropriate lab experience before granting credit; if the laboratory experience of a student is deemed not equivalent, CHM elective credit is given instead (3 or 6 credits, respectively).
