

Qualitative Standards: Grade Point Averages

In accordance with federal regulations, by the second calendar year of enrollment in a post-secondary educational program, the student must have at least a 2.000 cumulative Grade Point Average (GPA) to be considered making satisfactory progress for continued participation in federal and institutional aid programs. Students who do not meet this test will be ineligible to participate in federal and institutional financial aid programs until this deficiency is corrected.

Cumulative GPA and Pace completion requirements to remain in good academic standing are as follows:

30.5-47.5 credits	1.750	67.000
